Local Deputies Provide Safety and Encouragement in their Public School Roles

We've all heard it—this is the new normal. For many of our school-aged children, whether learning virtually, or in-person, they are experiencing challenges left and right.

However, thanks to a special group of dedicated law enforcement professionals, one thing has remained constant...the feeling of safety while in school.

Captain Mike Lawhorn, who oversees Special Operations, under which the School Resource Officer (SRO) Program falls, recognizes that during Covid-19 our students need the feeling of safety now, more than ever.

Our SRO's strive to continue to set the example for our youth, so they know that although the times we live in may be challenging, we are all navigating this

together."

Lawhorn explains that is one reason why Campbell County SRO's position themselves at the forefront of the schools; to welcome, encourage and serve—in their recognized uniform—which emphasizes that the students are in a safe zone.

"We may not be able to 'see' Covid-19, but we make sure our students see us," said Lawhorn. "We engage with them,

Halloween Candy Cruise Drive-Thru Trunk n' Treat>>>

These days it seems like everything fun is being canceled. Sports. Going to concerts. Large family gatherings.

But not Halloween. Halloween is not entirely canceled, because now we have a drive-thru Halloween, courtesy of Campbell County Parks and Recreation Department.

Drive-in's and drive-thru's are big in Central Virginia these days, so Campbell County Parks and Recreation Department decided to host a spook-tacular new event, geared towards all things Halloween – candy, costumes, and trunk or treat!

On October 31, 2020, from 10:00 a.m. to 12:00 noon, participants will be able to drive through a trunk n' treat (Kabler Lane parking lot), and collect candy. The event, which will be held in Rustburg, in the parking lot across from the Historic Courthouse, will allow participants the opportunity to safely trick or treat in their costumes all without getting out of their car!

"Our community just misses interacting with each other, so this was one we wanted to help pull people together for a little fun in a safe way," notes program manager Mrs. Stormi Anderson. "We are inviting businesses and organizations to partner with us, so we can make this a fun and memorable event for everyone."

Those interested in handing out candy may complete a registration form by clicking [here](#), or you may contact Mrs. Anderson with questions by emailing: sdar-rowood@campbellcountyva.gov, or calling (434) 332-9570.
